

Boy Scouts of America

# Scouting for Food

For one hundred years, the Boy Scouts of America has been serving communities just like this. In 1930, they partnered with the new Cub Scout program, nation wide, during a very difficult time.

Please take this bag into your pantry and place in non perishable food items you would like to share with members of your community. Cans and unopened bottles or jars, as well as un-opened boxes or bags of pasta would be good choices.

Next Saturday morning, Cubs or Boy Scouts will take the bags to a local community food pantry so it can be offered to those in need.

Thank you for supporting the scouts so that we can support the community on this the 100th Anniversary of the Boy Scouts of America.
